

Fachgruppe Biogas Weckelweiler

in cooperation with:
the State Institute of Farm Machinery and Farm Structures,
University of Hohenheim, Stuttgart, Germany

International Training Course

15-19 September 2008 – University of Hohenheim, Stuttgart

Monday, 15 September 2008

Registration

- Welcome to the seminar
- Report on the current situation and prospects of frame conditions for biogas technology in Germany and Europe.
- Introduction and outlook: Plant technology

Lunch

- Introduction into design, planing and process engineering, Part I
- Design, planing and process engineering, Part II

Discussion – End of the day

Tuesday, 16 September 2008

- Introduction into Dry Digestion - Differences between wet and dry fermentation
- Guided tour through the laboratory

Lunch

- Biological Basics and Practical demonstrations, Part I:
- Practical demonstrations, Part II:

Discussion – End of the day

Wednesday, 17 September 2008

- Process and external heat and gas engineering
- Biogas specific building materials

Lunch

- Cogeneration to heat and power – Gas Utilisation
- Biogas process operational details

Discussion – End of the day

Thursday, 18 September 2008

- Organic waste and fermentation technology
- Hygienic aspects in waste treatment

Lunch

- ½ -day study tour:

End of the day

Friday, 19 September 2008

- Ecological manure management
- Nutrients, additives and pretreatment for process optimisation
- Pretreatment and prestorage of substrates

Lunch

- Safety features of biogas plants and equipment
- Introduction into calculation and program feasibility studies

Discussion – End of event

Fachgruppe Biogas Weckelweiler

in cooperation with:
the State Institute of Farm Machinery and Farm Structures,
University of Hohenheim, Stuttgart, Germany

Conditions of participation

Registration is required in writing per post, fax or E-mail. After receiving your complete registration, we will send you the confirmation and bill by fax. Registration is legally binding. Written cancellations are possible until September 1, 2008. Upon cancellation payments made up to that time will be refunded except for an administration charge of 100 €. After September 1 refunds are no longer possible. Late registrations which are cancelled are billed in full. In case of late cancellations we gladly accept a substitute participant.

The *number of participants is limited*, therefore a timely registration and prepayment is required no later than September 1, 2008. After that deadline participation is only possible upon request.

You will receive the course details after your registration.

Participation fees per person:

The complete price for the training course is **990 Euro** (plus 19% VAT).

Included are

- extensive documentation,
- beverages during the course,
- lunch with beverages,
- excursion and entrance fees.

Not included are

- travel to Stuttgart and from Stuttgart
- accommodation
- further meals and beverages.

Special rate for booking both events: 1990 Euro (plus 19% VAT)
